

PRODUCT DATASHEET

Labacus® Innovator Basic Software

Labacus® Innovator Basic is pre-loaded with the templates for all the Silver Fox label range, making it ideal for simple builds.

- Cut & paste into software from any Windows application.
- Type in information or generate a sequence.
- Save / recall jobs in the normal windows way.
- Print Thermal Labels

For A4 laser labels print using an ordinary office laser printer. However, for thermal labels please review our Fox-in-a-Box® starter pack.

Trial each of Advanced and Professional levels for 3 separate days as part of the software download.

Version Comparison

There are 4 levels of software: Lite, Basic, Advanced and Professional. Compare functionality. You can seamlessly upgrade between levels at any time.
