

PRODUCT DATASHEET

Labacus® Innovator-Lite Software

The entry level software that enables you to type or cut and paste your information into the label template.

Please note that this level of the software is only suitable for Laser Labels. For Thermal Labels see our Standard, Advanced and Professional levels.

The Lite level is a free software and included in the download are three separate trial days of each of Standard, Advanced and Professional levels.

Version Comparison

There are 4 levels of software: Lite, Basic, Advanced and Professional. Compare functionality. You can seamlessly upgrade between levels at any time.
